

Pizzazz Hair Design Donates More Than \$4,000 To Feed The Hungry

Pizzazz Hair Design at Kobosko's Crossing was recently honored by b•cause for donating more than \$4,000 to the 2006 Make a Change Day End Hunger campaign benefiting America's Second Harvest. The Pizzazz donation, obtained through a weekend cut-a-thon held in conjunction with the salon's grand opening, was the single largest donation from any salon that participated in the campaign.

Through cut-a-thons and the donation of New Year's Eve gratuities from participating salons, b•cause will be able to provide more than 16,000 bags of

groceries to food banks across the country.

Pizzazz Hair Design owner Dennis Marquez was proud to take part in such a wonderful event and gave special thanks to his staff. "They are such an amazing, dedicated and hard-working group," he said. "Without their tireless efforts during the cut-a-thon, our donation would have never been possible."

A not-for-profit organization, b•cause advances the charitable causes of salon owners and beauty industry professionals.

Pizzazz Hair Design opened the doors of its first salon in

August 1974. The vision of Dennis and Kristina Marquez, Pizzazz is a full-service salon offering cuts, styling, color services, manicures, pedicures, waxing, facials and body treatments. Through continuous education and training, service providers stay on top of the latest hair, beauty and skincare trends. The Pizzazz mission is to help clients look good and feel good day after day.

Pizzazz Hair Design now features six salons serving Palm Beach County, including two in Wellington. For more information and locations, visit www.pizzazzhair.com.
